Dear Ronald:

I received the sad news of your father's untimely death while I was in Europe. At that time I had a message of sympathy sent to your mother. However, now that I am back in Washington, I want to add my own tribute to your father's memory to the many you have already received.

I had known your father for many years and was familiar with his work with the Army and other Government departments. He was indeed a patriotic, dedicated Government worker, admired especially for his high moral and intellectual qualities.

We grieve with you in his loss, but know that in you he left a son who will, I am sure, measure up to the heights of service your father hoped for you. Your father loved his country and his family, and I want you to know he was an admirable citizen and a good friend.

Sincerely,

SIGNED
